Welcome to the 2017 Auckland Arts Festival**

Great artists cause controversy, start revolutions and little by little change the world. Festivals like ours are a catalyst for change creating opportunities for artists to communicate with audiences and audiences to respond to artists' work. Throughout the Festival you will find small threads that deal with our world today. We hope that the work in the Festival can make you think, laugh, scream a little and perhaps even cry.

The music for the movie *Raiders of the Lost Ark* is fantastic and to be able to hear and see it performed live will be a special treat for movie buffs and those who have never attended an orchestra live. I hope everyone is blown away by the adventure.

The Festival's CEO David Inns (my partner and collaborator of many years), our Board and staff, hope you have a fabulous Festival. We hope that you enjoy the beauty and complexity of the art presented and value its importance in our society. Join the revolution.

*Carla van Zon, David Inns and the Festival Team*

The film that gave the world one of its greatest movie heroes, Indiana Jones, is back and better than ever before!

Relive the magic on the silver screen with the original great adventure... *Raiders of the Lost Ark*... with John Williams' epic score performed live to picture by the Auckland Philharmonia Orchestra.

The legendary Indiana Jones must find the Ark of the Covenant before it falls into the clutches of the evil Nazis. On his quest, he traverses the world from the depths of the South American jungle to the sands of Egypt, surviving snakes, double-crossers, booby traps and beautiful women at every turn. It's the ultimate adventure movie with a score to match from the equally legendary John Williams.
